Subject: Data Entry of Selected and Waitlisted Pilgrims on Nusuk Masar Portal – Haj-2027 (1448H)

In view of the provision introduced by Saudi Ministry of Haj & Umrah for uploading the particulars of waitlisted pilgrims on the Nusuk Masar Portal for Haj-2027 (1448H), it has been decided to undertake data entry of all selected pilgrims and 40% of the waitlisted pilgrims of each State by 11.12.2026.

2. Accordingly, all State/UT Haj Committees (SHC's) concerned are required to closely monitor the status of data entry of all selected pilgrims and the waitlisted pilgrims falling within the range specified in **Annexure-I** and take necessary follow-up action to ensure that the data of all such pilgrims is successfully uploaded on the Nusuk Masar Portal within the stipulated timeline.

3. In cases where the Nusuk Masar Portal is unable to process the passport images available on the HCoI Portal, the concerned SHC's shall promptly contact and advise respective Haj pilgrims to upload fresh scanned passport images in accordance with the prescribed specifications.

4. To facilitate this exercise, HCoI uploads, on its website every Wednesday and Friday, an updated list of pilgrims whose data could not be processed, along with the necessary instructions and step-by-step guidelines for scanning and uploading passport images. The SHC's shall ensure that the concerned pilgrims are duly informed and guided accordingly. The pilgrims shall also be advised to regularly check the status of their data entry until successful completion.

5. All SHC's are requested to accord priority to this exercise and ensure close monitoring and timely completion of the data entry process.
