As per the regulations of the Government of Saudi Arabia, Private Tour Operators (PTOs) registered with the Government of India and involved in the preparation of the Haj Pilgrimage will be eligible for grant of Haj group visas subject to fulfillment of other terms and conditions as laid down by the Saudi Authorities. Accordingly, Government of India frames policy laying down conditions subject to which registration and allocation of Haj quota to the PTOs would be given.

2. The Hon’ble Supreme Court in its judgment dated 16.04.2013 in petition for Special Leave to Appeal (Civil) No.28609/2011 inter alia approved the Policy for Private Tour Operators (PTOs) for Haj 2013 – 2017. The Policy remained valid for five years. In terms of the Supreme Court directions regarding Haj Policies for the HCol and PTOs, it was decided to review the existing Policies and frame a new Policy. Accordingly, Ministry of Minority Affairs, Government of India had constituted Haj Policy Review Committee (HPRC) of eminent people and senior officials which reviewed the existing Haj Policy of the Government for 2013-17 and suggested framework for new Haj policy 2018-22. However, in view of representations from the stakeholders against the PTO Policy framework suggested by HPRC, it was decided to undertake a more detailed exercise with the help of experts to develop a set of evidence based workable criteria for the new PTO Haj policy for Haj 2019 onwards. Meanwhile, pending a new five years policy, it was decided to continue the previous Haj Policy with a few modifications for Haj 2018. Accordingly, the work of evidence based study for formulation of a sustainable policy for Haj Private Tour Operators for the next 5 years was assigned to Indian Institute of Technology Delhi.

3. The study team of IIT, Delhi conducted extensive research on the available data of the PTOs and submitted their report to the Ministry. They have studied the current system of Haj through PTOs in terms of PTO Policy 2018, HPRC recommendations about the PTO policy for upcoming five years and analyzed the data about PTOs from all sources including field data collected from Saudi Arabia during Haj 2018. Based on the data analysed, they have identified the parameters for assessing the financial strength and the capabilities of the PTOs in terms of their experience and resources required to conduct Haj tours.

4. The IIT Delhi study in its analysis of various scenarios concluded that the policy adopted for Haj 2018 and the formulation suggested by HPRC would not be sustainable over the next 5 years policy period and therefore recommended a sustainable modified criteria optimized for avoiding Qurrah(draw of lots) at each category level. The analysis has assumed availability of a minimum of 45000 seats for allocation to PTOs. It has further been decided that to pass on the benefits of the enhanced quota of the PTOs to common haj pilgrims, the seats allocated to PTOs over and above 45000 seats will be charged by the PTOs as per applicable rates of HCol.
5. Accordingly, the study has suggested a new PTO Policy for next five years i.e. Haj 2019-23. The proposed criteria will enable all the qualified PTOs to get minimum assured quota in each year of the policy period. Weightage has been given in allocation of quota to the PTOs based on their experience and financial strength. The Terms and conditions for registration of PTOs have been simplified and efforts have been made to reduce the documentation.

6. The draft policy for Private Tour Operators for 2019-23 was circulated on 16.11.2018 and also placed in the public domain on the website of the Ministry, Haj Division and Haj Committee of India. Suggestions/ comments were received from various PTO Associations and individual PTOs. These suggestions/ comments were considered in the Ministry in consultation with the IIT Delhi. Accordingly, the PTO Policy for 2019-23 has been finalised.

7. The final Policy for Private Tour Operators for Haj 2019 – 23, hereinafter referred as the Policy for Haj Group Organisers (HGOs) for Haj 2019-23, is enclosed. This policy will remain valid for five years i.e. 2019-23 unless there are substantive developments which call for its modification.

8. The allocation of seats to qualified HGOs in each category will be done every year on the basis of overall quota of HGO’s specified in annual India- Saudi Arabia Haj Agreement and the number of qualified HGOs remaining in each category. The policy envisages cross category upward movement of HGOs from one category to another. It is to be noted that the HGOs who do not agree with the terms and conditions for registration and allocation of quota or do not wish to take minimum of 50 Hajis or are unable to do so need not apply for registration. Further, a qualified HGO shall abide by all the directions that the competent authority issues in the larger interest of Haj pilgrims from time to time.

9. A mid-term review of the policy may be conducted after two years to assess its implementation vis a vis its aims and objectives.

10. The applications for registration along with the required documents/ information will be submitted online on the HGO’s portal www.haj.nic.in/pto. It is to be noted that all the documents uploaded by the applicant HGO should be clearly legible and be as per the specifications indicated on the portal. Applications not conforming to the laid down quality/ specifications are liable to be out rightly rejected. The printed copy of the acknowledgement duly signed by the authorized representative of the HGO may be submitted to the Under Secretary, Haj Division, Ministry of Minority Affairs.

10. Accordingly, applications are invited from the interested HGOs for registration and allocation of quota for Haj 2019. The last date of submission of online application is on or before 20.01.2019 at 1630 Hrs. The printed copy of the acknowledgement duly signed by the authorized representative of the HGO along with application fee and Security Deposit may be submitted to the Under Secretary, Haj Division, Ministry of Minority Affairs, V.K. Krishna Menon Bhawan, 9 Bhagwan Das Road, New Delhi-110001 (likely to be shifted to West Block VIII, Sector-1, R.K. Puram) by 24.01.2019.

Only after fulfilling the minimum earmarked seats in all categories, to the extent possible, the surplus seats, if any, will be distributed as per stage-II.

**Stage-II**: If post allotment of seats to each HGO in category-2, still some seats remain from the available seats in Category-2, then the remaining seats will be allocated in the following manner:

(iii) The available seats under Category-1 will be allocated proportionately to eligible HGOs under this category subject to upper limit of 100 seats each.

(iv) If surplus seats are generated under Category-1* and Cat-1 after allocation of maximum no. of specified seats for these categories i.e. 120 and 100, those will be transferred to Cat-2 HGOs for further distribution as per the formula given in (v) below.

(v) The available seats under Category-2 (earmarked additional seats + carryover seats from Cat-1* and Cat-1) will be allocated proportionately to
