**Subject: Advisory to Haj Pilgrims – Use of Haj Suvidha App 2.0**

All Haj pilgrims proceeding through the Haj Committee of India for Haj-2025 are strongly advised to download and actively use “Haj Suvidha App 2.0”, developed under the aegis of the Ministry of Minority Affairs, Government of India.

2. This upgraded version offers a range of integrated services including application tracking, flight and visa information, real-time alerts, grievance redressal, GPS-enabled navigation in Makkah, Madinah, Mina and Arafat, medical history management, AI-Chatbot, Namaz timings, Qibla compass, spiritual resources, and RFID-based baggage tracking—bringing essential Haj-related services to your fingertips.

3. A special highlight of Version 2.0 is the Pedometer feature, designed to promote health and fitness among pilgrims. As walking plays a major role during the Haj pilgrimage, the pedometer helps you monitor your physical activity, set goals, and stay fit throughout the journey. **The app includes a leaderboard, and 10 pilgrims consistently featuring in top 10 from their respective states will be felicitated by the Haj Committee of India.**

4. Pilgrims are encouraged to download the app from Google Play Store or Apple App Store, register using their HAF ID and mobile number, and make full use of the features available. The Haj Suvidha App will serve as your digital guide, assistant, and support system throughout Haj-2025.
